

Garanti Investment Trust Inc.'s Policy about Donations and Aids

The Partnership may donate to the foundations and such individuals and/or corporations built for various purposes, on the condition of sticking to the regulations of the Capital Market Board, as stated in the 6th item of the Articles of Partnership.

Partnership, by preparing its policy related to donations and aids, presents to the approval of the General Assembly. In line with the policy approved by the General Assembly, the shareholders are informed with a separate agenda item regarding the amount of all the donations and aids and their beneficiaries, and regarding policy modifications accomplished in the current period.

The basis for the partnership accomplishing portfolio management is to keep donations and aids at a minimum level, in the context of conforming to its primary purpose providing maximum profit with minimum expense to its investors by following a careful risk policy.
